

3L HARD STORAGE CASE

Protect, organise and transport your essential dive accessories with the 3L Hard Storage Case. Designed to keep smaller items safe and easy to find, this compact storage case is ideal for everything from gloves and torches to batteries, O-rings and servicing essentials. Whether you're packing for a dive trip, storing equipment at home or organising your workshop, the 3L Hard Storage Case helps keep your gear protected and in one place.

Manufactured from durable hard plastic, the case provides reliable protection against knocks, bumps and everyday handling during transport. A secure clip-lock closure keeps the contents safely contained, while the folding carry handle makes it easy to carry or store inside larger dive bags, R.A.I.D. cases and equipment boxes. Moulded feet provide added stability when placed on the ground, workshop bench or boat deck.
