3L R.A.I.D. CASE

ROBUST. AIRTIGHT. IP67. DUST-PROOF CASE

Our 3L R.A.I.D. case, made of high impact ABS with IP67 protective degree, is designed for maximum protection of smaller sized items during transport and storage. It is an ideal choice for storing accessories such as dive computers, cameras, hand tools and other small electronic components.

It's small size and sturdy, hinged handle, means it is highly mobile. The removeable pick and pluck foam interior allows you to completely customise the internal space, allowing for extra protection and inventory control.

Not the size you're looking for? Shop our entire range of different sized R.A.I.D. Cases, to find the perfect storage and transportation solutions for your various equipment. Popular uses include storing items such as divewear and accessories, laptops, rifles, shot guns, cameras, radios, rescue and military equipment and much more.

All of our R.A.I.D. cases are injection moulded and can withstand the strains of floodwaters. They can even be submerged* and still keep all valuable devices safe and dry. They protect your delicate equipment from handling abuse and the most extreme and hazardous conditions.

Shock proof, dust proof, waterproof, un-crushable, anti-chemical corrosion, high temperature resistance. High performance against breakage and defects from outdoor military use.
