

# LANYARD

Keep your essential equipment secure and close at hand with our Universal Equipment Lanyard. Designed for versatility, this lightweight and durable lanyard is ideal for attaching to torches, knives, tools, and other small pieces of kit during watersports and outdoor activities.

Featuring a soft silicone comfort handle, the lanyard sits comfortably in the hand and reduces fatigue during extended use. The adjustable toggle drawstring allows you to tailor the fit for added security, ensuring your equipment stays exactly where you need it. Built to withstand regular use in harsh marine environments, this high-quality lanyard offers both reliability and ease of use.

Available in black, blue, and orange, it's the perfect accessory for any personal or professional working in or around water who needs to protect their gear and streamline their setup.
