

NDB5 CHANGING MAT

The NDB5 Changing Mat is designed for convenient use with the NDB5 Holdall and NDB5 Short Holdall. When not in use, simply roll up the mat and store it on the side of your bag.

Durable and thoughtfully designed, the mat features bound edges and rounded corners for safety and comfort. It's fitted with 25mm (1") female Fixloc buckles sewn to the top, allowing quick attachment to the corresponding male buckles on the NDB5 range. Buckle positions vary depending on the bag size, so please ensure you select the correct size when ordering!

KEY FEATURES

High-spec black PVC – tough, durable, and long-lasting for heavy-duty use.

Fully washable
– easy to clean and maintain.

Customisable – mats can be printed with customer logos upon request (extra charge applies).

Secure attachment – 25mm (1") female Fixloc buckles allow fast, reliable connection to NDB5 bags.

Safety-focused design – rounded corners and bound edges prevent snagging or injury.

Dimensions: 1000*600mm
(39.3*23.6")

Available in black only
