RR-MAX
INFLATABLE RESCUE RAFT

Manufactured from 15cm drop stitch and PVC with built in inflation points and valves in multiple places. The RR-MAX has 13 316 stainless steel 40mm d-rings, 5 lifting handles plus another 4 handles on the non-slip floor.

This inflatable is part of the clearance range and is only available in Yellow. Team branding can be applied once purchased.

A cylinder can be connected to the inflatable for quick and easy inflation, multiple hoses could also be used for even faster inflation!

Watch the video to view our raft being inflated in approx 2 minutes. Video can be found in the product page on our website : **www.ndiver-rescue.com**

BRAND YOUR INFLATABLE

Your team crest, slogan or any other artwork can be added to your inflatable. Options are available for branding to be applied direct to the inflatable or produced on a removable badge. Removable badges bond to the inflatable using a strong hook and loop Velcro.

Contact our sales team to discuss your printing options.
