## 50M UNDERWATER DRILL

Nemo V2 DIVERS Edition (DDV2-18-3Li-50) offers commercial, research, and recreational divers a salt-water ready tool for a variety of tasks, such as tagging coral reefs for research and cleaning barnacles off of boats and yachts.

The Nemo V2 DIVERS Edition has a maximum operating depth of 50m (164ft). This drill boasts a salt-water resistant black and red paint job and comes with a durable carrying case, battery charger, pressure valve and pump to pressurize the drill, and two 18V 3Ah Lithium Ion batteries, to make sure you're ready for jobs that require extra power and time.
