

2M & 5M INFLATABLE WALKWAYS

Our Inflatable Walkways are versatile pieces of equipment that can be used as a path, platform, pontoon or raft.

2 sponsons running underneath the Walkway give it excellent stability.

As well as water and unstable terrain, it can also be used on ice.

The Inflatable Walkway is available in 2m, 5m as standard and custom sizes can be ordered please contact us to discuss your options.

Whats Supplied With The Inflatable?

- 1+ Inflation Valve Fittings
- 1x HP2 Inflation Hand Pump
- 1x Storage Bag
- 1x Repair Kit & Tools

Why not design your own?

We can create bespoke inflatables please contact us to discuss your requirements.

BRAND YOUR INFLATABLE

Your team crest, slogan or any other artwork can be added to your inflatable. Options are available for branding to be applied direct to the inflatable or produced on a removable badge. Removable badges bond to the inflatable using a strong hook and loop Velcro. **Contact our sales team to discuss your printing options.**
